Attendance Matters

Our current school attendance data shows that most of our students are attending school at a rate of 90% or higher, this means that most of our students are at school and learning 9 days out of every 10. Well done to each of those students who is arriving at school on time and ready to learn. When we were discussing this with the students last week the primary and infants' classes have decided that next term they would like to have a competition to see which class has the best attendance across the full term. We are going to call this our Attendance Tug-of-War. The

class with the highest attendance for the term will get to choose a special activity just for them.

Here is a snapshot of our current attendance rate for this term. As you can see we are well above attendance rates for the network.

Easter Hat Parade

Our Easter Hat Parade will take place on Wednesday 27 March this year. Start time will be from 930am. Following the Easter Hat Parade, we will hold an Open Classroom in both the Primary and Infants Classrooms.

Garden Club

This week we have been busy planting up our gardens in preparation for the winter harvests. Thanks to Rob and all the primary students who have spent some time over the past few weeks in getting the garden beds prepped and ready for planting. Last week our infants class planned what they would like to see in some of the garden beds and so we have also been planting out a range of flowering plants.

Easter Long Weekend

Just in case you hadn't already realised the Easter Long Weekend this year stands alone and is not a part of the school holidays. All students will be expected back at school on Tuesday 2 April. The final day of Term One is Friday 12 April and the school holidays will commence on Saturday 13 April.

Thank you all.

While the teachers and the students took part in a Japanese lesson parents had the opportunity to take a look around the high school and see all that it had to offer. Everyone had a great time.
