NSW Public Schools Survey

In Term 2, we are offering our students the opportunity to participate in the NSW Public Schools Student Survey. The survey gives students the chance to share their thoughts and feelings about life at school, including questions about their engagement, learning experiences and wellbeing at school.

Hearing directly from our students will help us understand what's working well and where improvements can be made to our school. The survey is confidential, takes around 10 to 15 minutes to complete, and will be conducted online during school hours.

Participation is voluntary. If you prefer your child not to participate, please complete the opt-out consent form, which will be sent home, and return it to the school. Further information about the survey is available at <https://education.nsw.gov.au/npss>

Reporting

- From Term Two, we're introducing updated school reports.
- The new format has been developed by the NSW Department of Education in response to feedback from parents and educators to make reports easier to read and understand.
- Your child's report will still show their progress across all subject areas.
- Teacher comments will appear in English, mathematics and the general comment section, in line with department policy.
- The general comment for Kindergarten also covers all other key learning areas including, creative arts, HSIE, PDHPE, and science and technology.
- A new [achievement scale and descriptions](#) are included to provide a clearer picture of your child's progress.
- Parent-teacher interviews remain an important way to discuss your child's progress and achievement in more detail.
- We welcome your feedback or questions about the new report format

Walk safely to school day

This Friday, 16 May is "Walk safely to school day". All students who are able are encouraged to walk to school. Did you know that until a child turns ten they must always hold an adult's hand when crossing the road. Please find some tattoos included with this newsletter to assist in reminding students who walk to school to do so safely. Other students may be reminded that it is important to be aware of their surroundings whenever walking near a road.

Happy Birthday Alex
